

Introducing a *NEW* unique, palatable and innovative product

for the dietary management of tyrosinaemia

Introducing TYR Easy Shake & Go

Available 1st of
November 2016

TYR Easy Shake & Go is a flavoured powder to be mixed in the bottle. A phenylalanine and tyrosine free protein substitute containing essential and non-essential amino acids, carbohydrate, vitamins, minerals and trace elements.

- TYR Easy Shake & Go is available in orange flavour
- Recommended for patients aged 3 years of age and older
- Each bottle contains 15g of protein
- Available in packs of 30 x 34g bottles

Dosage instructions:

To be determined by the clinician or dietitian, and is dependent on the age, bodyweight and medical condition of the patient.

- Remove lid from bottle
- Add cold water (80-130 ml) to the bottle containing the powder, replace lid.
- Shake vigorously for 15-30 seconds.
- Ready for drinking.

TYR Easy Shake & Go is recommended to be used or refrigerated immediately after mixing. Refrigerated product must be used within 5 hours.

Storage:

Store in a cool dry place.
